DY 4406P-D

Direct Drive 6 Needle, Cylinder Bed Double Chain Stitch Machine For Elastic Attachment

Product Features

1. 4 Needle 8 thread machine.
2. Cylinderbed double chain with pneumatic thread trimmer.
3. Attaching pre-closed elastic bands to sweat pants, pajamas, trunks, and similar garments.

Main Function

It can be used for attaching elastic and line tape to sweat pants, pajamas, trunks and similar garments. Major features of this series are the wide range of available gauge size (4~21 needle), cylinder bed (420mm in circumference), elastic guide rollers. These features make this series popular for attaching pre-closed elastic. Unique automatic thread cutter (UTC) increases productivity by trimming threads accurately and leaving less thread, which curtail the production cost.
